**Fax:** 800.547.1296  
**Website:** www.Neurolumen.com

Neurolumen is an FDA cleared, breakthrough treatment modality utilizing three healing therapies:

- Low-level Lasers
- LEDs (Red and Infrared)
- Electrical stimulation

Neurolumen is vendored in 100+ VA facilities. *(see page 2 for list)* These facilities have prescribed Neurolumen devices for qualifying veterans and/or have units in their facilities for Veterans to utilize.

### **How is it used?**

Neurolumen is a 30-minute treatment that can be administered in a clinic or prescribed for home use. We will provide all training and follow-up care.

### **Benefits**

- Can be used over implants, hardware, and with a Pacemaker
- Increases circulation and decreases inflammation
- Decreased C-reactive protein and neopterin
- Accelerated inflammatory cycle with diminished symptoms and earlier normalization
- Increased angiogenesis. Both blood capillaries and lymphatic capillaries have been clinically documented to undergo significant increase/regeneration.

- **3443** - number of veterans prescribed Neurolumen for pain by VA facilities
- **1755** - number of veterans successfully surveyed
- **34%** - report reduction in medications
- **93%** - report reduction in pain levels
- **7.48** - average reported pain level prior to regular treatment with Neurolumen (scale 1-10)
- **2.84** - average reported pain level following regular treatment with Neurolumen (scale 1-10)
- **6.30** - average improvement in activity/quality of life (scale 1-10)

As of 7/1/2022

### **Department of Labor and Federal Workers and State Workers**

The Department of Labor pays for the Neurolumen for injured Federal Workers and State Workers. Neurolumen does all the training, follow-up care, and insurance filing for the patients. Third party insurance companies are also covering the Neurolumen.
